Cab With Two Passengers Overturned in Broadway—One Arrest.

A touring car owned and driven by Lester Meyer, No. 113 Madison Avenue, collided at Broadway and 234 Street at 8 A. M. today with a taxicab and turned it over.

Miss Anna Miller, twenty-eight, of No. 11 East 87th Street, and Walter Hirschman, thirty-four, of No. 703 West 14th Street, Brooklyn, passengers in the taxicab, and Harry Bronstein, No. 301 Dekalb Avenue, Brooklyn, the chauffeur, were cut by broken glass. After being treated by an ambulance surgeon they went home. Meyer was arrested.

William Anderson, fifty-eight, of No. 133 Third Avenue, while crossing Third Avenue at 18th Street last night, was struck by a taxicab owned and operated by Joseph Frank of No. 450 Grand Street. He was taken to Bellevue Hospital with a fractured skull.

Patrolman Glendon of the East 234 Street Station found a man in a semi-conscious condition at 18th Street and Third Avenue about an hour later. The man said he was James Taylor, thirty-three, of Norwalk, Conn. He had a lacerated scalp wound and it is believed he was hit by an automobile.

Jury Acquits Samuel Mittler, Accused of Receiving Loot Stolen From Fifth Avenue Home.

Samuel Mittler, who operates a livery stable at No. 113 Chrystie Street, and who was placed on trial yesterday, receiving jewelry stolen from the home of Mrs. Hamilton Fish, Avenue, has been acquitted by a jury.

The case was tried before Judge Nathan.

Last April Joseph Fried, a former housekeeper employed in Mrs. Fish's home as a porter, stole \$10,000 worth of jewelry. When he was arrested he confessed and said he disposed of the bulk of the valuables to Mittler for \$450. Mittler was arrested and indicted in June. The property was recovered.

SEEK NEW TRAFFIC RULES.

Jersey Commissioners Plan to End Congestion in Newark.

TRIDENT, Jan. 6.—Recommendations for traffic regulation to relieve congestion in Newark's business centre were made today in a report by the Board of Public Utility Commissioners, which is holding office pending appeal from a court decision upholding Gov. Edwards' order closing the member.

The congestion of cars in the city's centre between the hours of 4:30 and 6:30 P. M. owing to the rush of 10,000 people to leave the business section, affects not only the movement of cars in that section but is reflected in irregular service throughout the city, the report declared.

The establishment of additional routes on streets paralleling the congested ones is among the commission's relief recommendations.
